

Dear Friends, Supporters, and Community Members,

On behalf of WWIA (Wounded Warriors in Action) via the River Road Hunt Club, we would like to sincerely thank all of our previous donors, volunteers, and supporters who have helped make our annual Whitetail Hunt a success. Your generosity and continued support have allowed us to provide an unforgettable experience for our Purple Heart recipients who participate in this special event.

We are proud to announce the 3rd Annual WWIA Whitetail Hunt, which will once again be hosted locally here in Livingston County, New York, from December 10th—14th, 2026.

This hunt is dedicated to honoring and supporting four Purple Heart recipients by giving them the opportunity to enjoy fellowship, outdoor recreation, and a memorable hunting experience. The donations and funds collected directly support the expenses associated with the hunt, including hunting licenses, lodging, meals, travel expenses, and other necessary accommodations for the hunters.

As we prepare for this year's event, we are once again asking for your support. Every contribution, no matter the size, helps ensure these deserving veterans receive the experience and recognition they have earned through their sacrifice and service to our country.

Please see the attached flyer for information on where and how to donate. Your generosity and community support are greatly appreciated and play a vital role in making this event possible.

Thank you again for supporting WWIA and helping us honor our nation's wounded veterans.

Sincerely, 

**James R Mann, River Road Hunt Club
